

# Singing Strong *End of year Newsletter 2018*

It has been wonderful to see so many students involved in various musical productions this year.

Congratulations especially to Sebastian Poole and Hollie Gibson who performed in Class Acts Productions of Fiddler on the Roof and Peter Pan Jnr and then travelled for a week to Newcastle participating in the Junior Theatre Celebration in October.

I had the pleasure of attending the Latrobe Theatre Company performance of Elf Jnr in November. What a fun show! Congratulations to Sophie Bray, Natasha Murcott (who also performed in Peter Pan Jnr) and Hollie Gibson for their outstanding performances.

Congratulations to Jadyn Gomez, Zoi Kyriacou, Olivia O'Brien, Natasha Murcott and Monique Hastie who led the carol singing at the Latrobe Orchestra end of year concert. You performed magnificently!

It has been wonderful to see various concerts and school performances that students have been singing in throughout the year. It is always important to take advantage of these opportunities.

It has been an interesting year for me this year, but the highlight would have to be travelling to New York to see my daughter Rose perform at Carnegie Hall. Thank you to Class Act Productions for this wonderful opportunity. I also got to see a performance at the Metropolitan Opera. I now have a full understanding of why they call it "Grand Opera". Everything was on an enormous scale! It was also a proud moment for me seeing Rose in Peter Pan Jnr as well as singing solo at Traralgon's Carols by Candlelight. Such a highlight!
